ITU TELECOM WORLD 2009 In Review

The Youth Forum was launched at ITU TELECOM AFRICA 2001, held in Johannesburg, South Africa.

Further Youth Forums took place at all ITU Telecom Regional and World Events.

“The Youth Forum gives participants a chance to learn and share views on the challenges and opportunities facing today’s world of ICT. An extra effort should be made at the national and international levels to cater to the needs of young people, in order to motivate them and attract them to the ICT sector.”
