# Web Interface for the Submission of Frequency Assignments/Allotments for the Terrestrial Services

- Only notice files received via this secured interface will be treated by the Bureau;
- Automatic acknowledgment e-mail is sent to the address specified by the notifier;
- It is strongly recommended to validate the notice files using eValidation before submitting them to the Bureau;
  - Only complete and valid notices can be processed

**<https://www.itu.int/ITU-R/eTerrestrial/Account/Login>**

- WISFAT accepts any data format, therefore when submitting many notice files, it is recommended to compress them into one file.

# WISFAT

- Who has access to this interface?
  - Only registered notifiers nominated by their administration;
  - Must have an ITU login with TIES services;
  - As many notifier(s) as needed;
  - Responsibility of the administration to inform the Bureau of any changes regarding the registered notifier(s).
- Which notice files can submitted?
  - Notices for recording in the Master Register, to modify Plans and also for the seasonal planning of HF bands (HFBC - Article 12);

# How to become a registered notifier

- Administration selects the notifier(s)
- The selected notifier(s) must have an ITU Login with TIES services
  - Request an ITU Username via the web site: <https://www.itu.int/en/ties-services/Pages/default.aspx>
  - Click on “Login” and select “I am a new user”;
    - Your ITU focal point must approve your request;
    - Make sure that the ITU focal point is still active within your Administration, if not inform the Bureau;
- The administration must send an official e-mail request to the BR (brmail@itu.int):
  - Name, position, service e-mail, ITU login;
- BR will inform the notifying administration with the latest list of notifiers.

# Access to WISFAT

<http://www.itu.int/en/ITU-R/terrestrial/tpr/Pages/Submission.aspx>

The screenshot shows the ITU login interface. At the top left is the ITU logo, a globe with a red lightning bolt, next to the text "International Telecommunication Union". Below this is a horizontal line. Underneath is the text "Security ( show explanation )". There are two radio button options: "This is a public or shared computer" (selected) and "This is a private computer". Below these is another horizontal line. The "Username:" field contains "wrsterre" and the "Password:" field contains "RRS2021". A "Log On" button is located below the password field. Two callout boxes are present: one labeled "ITU login" pointing to the username field, and another labeled "Password" pointing to the password field. At the bottom of the page, there is a copyright notice: "© International Telecommunication Union. All rights reserved."
