

**Draft program of the International training seminar
'CONFORMANCE TESTING'**

**within ITU-ZNIIS joint project on creation of
'International Telecommunication Testing Centre'
(ITTC)**

Moscow, Russia, 10-11 December 2009

December 10 2009

08.30 – 9.30 Participants registration

Participants registration and training and information materials distribution

9.30 – 09.45 ZNIIS welcoming address

Deputy Director General on science activities

A. Vasiliev

9.45 – 10.00 Welcoming address from ITU Area Office for CIS

Office Head

O.J. Kaiykov

10.00 – 11.00 Keynote speech Testing approach in ITU-T

ZNIIS Director General Advisor

A.E. Koucheriavy

11.00 – 11.30 Coffee break

11.30 – 13.00 NGN protocols Conformance testing

Key features of SIP protocol Conformance testing

ZNIIS Technopark Leading Engineer

K.A. Savin

Key features of MEGACO protocol Conformance testing

ZNIIS Technopark Leading Engineer

A.G. Itkin

13.00 – 14.30 Lunch

14.30 – 16.00 RACF Conformance testing

RACF architecture

SG11/WP2 ITU-T Vice-Chairman

Tina Tsou

RACF testing approach

SG11/WP2 ITU-T Vice-Chairman

Tina Tsou

16.00 – 16.30 Coffee break

16.30 – 17.30 Services conformance testing

Services conformance testing approaches

DeutscheTelecom

Denis Alexeycev

European operators services conformance testing experience

DeutscheTelecom

Denis Alexeycev

December 11 2009

09.00 – 09.30 Analyze of ITU-T Recommendations on conformance testing

ZNIIS Director General Advisor

A.E. Koucheriavy

09.30 – 10.30 Conformance testing on the model networks, IP/MPLS

Model network for conformance testing

ZNIIS Technopark Engineer

V.A. Shalaginov

Conformance testing of IP/MPLS

ZNIIS Technopark Engineer

V.A. Shalaginov

10.30 – 11.00 Coffee break

11.00 – 12.00 Problems detected during protocols Conformance testing

8, 1-st proezd Perova polya, 111141, Moscow, Russia
Tel.: (+7495) 306-2202. Fax: (+7495) 306-2202
E-mail: akholopov@zniis.ru, info@zniis.ru

Typical problems discovered during Conformance testing of MEGACO protocol
ZNIIS Technopark Leading Engineer

K.A. Savin

Typical problems discovered during Conformance testing of SIP protocol
ZNIIS Technopark Leading Engineer

A.G. Itkin

12.00 – 13.30 Lunch

13.30 – 15.00 Practical part

Demonstration of test creation principles
Vice-chairman WP4/SG11 ITU-T

Martin Brand

Demonstration of automatic test execution process
FSCOM

Peter Schmitting

15.00 – 15.30 Coffee break

15.30 – 17.00 Round table

Общее заседание участников семинара. Обсуждение вопросов по тематике
ZNIIS Director General Advisor

A.E. Koucheriavy

17.00 – 17.30 Final session

Report by ITU Area Office representative
Office Head

O.J. Kaiykov

Report by ZNIIS representative
ZNIIS Director General Advisor

A.E. Koucheriavy
