**Tunisia (country code +216)**

Communication of 8.IX.2001:

*Tunisie Télécom*, Tunis, announces that the introduction of the new numbering plan of Tunisia, scheduled for 1 July 2001, has been deferred to 1 October 2001.

Following the decree of the Ministry of Communication Technologies, dated 10 August 2001, Tunisie Télécom will introduce a new telephone numbering plan as from 1 October 2001 at 0000 hours UTC. As from 1 October 2001, for calls throughout the country,

all users must dial the eight-digit number by adding the prefix 7A to the number of the correspondent (A = 1 to 8: current area code of correspondent).
