Unlocking human potential
The Bologna Declaration

Describes the problem: **lack of access** to Assistive Technology

Elaborates on the **causes** and the **effects**

- Calls for action
- Lists agenda for action

Unlocking human potential
The Bologna Declaration

Agenda for Action

1. To raise awareness
2. To further accessibility legislation with strong enforcement mechanisms
3. To promote socially responsive and responsible research
4. To assure technological innovation is inclusive
5. To foster assistive technology provision systems
6. To create appropriate and robust lifelong educational opportunities
7. To promote positive images, designs and initiatives
8. To seek and require meaningful collaboration between actors
9. To pursue and assure the quality of assistive technology solutions
10. To remove all other barriers of whatever nature
