- ✓ Resolution 906
 - WRC-07 resolved that as of 1 January 2009, the submission of notices for terrestrial services to the BR shall be in electronic format only (CR/297)
 - Further revised during WRC-12
- ✓ Following this decision, BR developed a secured, reliable and practical way of submitting notices via a web interface
- ✓ All notices except notifications for List IV (Coast stations) and List V (Ship stations)
- ✓ Secured web site
 - Only registered notifiers can submit via this web interface
 - Administrations nominate their notifier(s)
 - One or many notifier(s) per administration
 - Administrations should inform the BR of any changes regarding the registered notifier(s)
- ✓ Reliable system
 - Automatic acknowledgment e-mail is sent by the system as soon as the notices are submitted

How to become a registered notifier?

- ✓ The selected notifier must have a TIES account
 - Request a TIES account via the web

<http://www.itu.int/TIES/index.html>

- Once the TIES focal point of your Administration has approved your request
- The administration must send an official e-mail request to the BR (brmail@itu.int)
 - Name, position, service e-mail, TIES Username
- ✓ BR will inform the notifying administration with the latest list of notifiers
