Become a Sponsor of the Joint ITU/ATU Workshop on "Cybersecurity strategy in African countries"

Become a sponsor of the Joint ITU/ATU Workshop on "Cybersecurity strategy in African countries" and get your product or service into the hands of leading executives.

The workshop will bring together leading specialists in the field, from developing countries, ITU Member States, regulatory agencies, policy makers, private sector (service providers, telecommunication operators, manufacturers and solution providers), academia, standardization organizations, forums and consortia.

This is a unique opportunity to network and discuss specific pain points and challenges with decision-makers and experts representatives.

Put your company's name in front of key decision makers.

If you are interested in sponsoring the event or would like more information about sponsoring, please contact tsbworkshops@itu.int
