

Quick steps – subscribe to FG-TBFxG mailing lists

1. If you don't have an ITU User Account, sign up online for a free ITU User Account [here](#) (otherwise, skip to step 2).

The screenshot shows the 'ITU USER ACCOUNT' creation page. At the top, there are two radio buttons: 'I have a User Account' (unselected) and 'I am a new user' (selected and highlighted with a red box). Below this is the 'User Account Creation' section with the instruction 'Indicate your organization's membership status with ITU'. There are three main categories of membership status, each with an information icon (i):

- ITU MEMBERS**
 - Member State
 - Sector Member
 - Associate
 - Academia, University, Research Establishment
 - International/Regional Organizations
- SPECIFIC STATUS**
 - Resolution 99
 - United Nations, Specialized agency, IAEA
- OTHER ORGANIZATIONS**
 - Non Member or I don't know (highlighted with a red box)

At the bottom left, there is a green 'Continue' button highlighted with a red box.

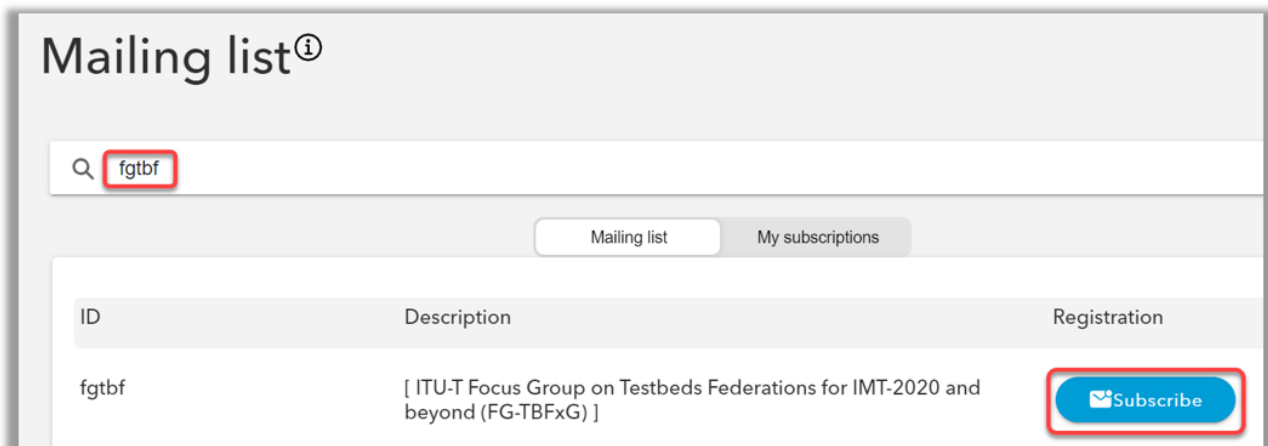

On next step, you should look for your organization in the list provided and select it. If your organization is not listed you have the option to “create” a new entry.

Complete the online form and validate your account via the automatic email you will receive.

2. Once your ITU User Account is operational, go to the [ITU MyWorkspace Mailing list application](#).

In the “Search” field, type **fgtbf** or **FG-TBFxG**.

Click on “Subscribe”

The screenshot shows the 'Mailing list' application interface. At the top, there is a search bar with the text 'fgtbf' entered and highlighted with a red box. Below the search bar are two tabs: 'Mailing list' (selected) and 'My subscriptions'. The main content area displays a table with the following data:

ID	Description	Registration
fgtbf	[ITU-T Focus Group on Testbeds Federations for IMT-2020 and beyond (FG-TBFxG)]	<input checked="" type="button" value="Subscribe"/> (highlighted with a red box)
