CALL FOR SPEAKERS

ITU Distributed Ledger Technology Meets-Ups
taking place on the first Wednesday of every new month

Should you wish you to be a speaker in a future ITU DLT meet-up, kindly send an e-mail to the secretariat at tsbsg16@itu.int, with tsbevents@itu.int in copy, providing a 200-word summary of your presentation (Word or PDf format), related links and a short CV of the speaker. Here are examples of possible topics:

a) DLT Interoperability
b) Mapping of platform using ITU Architecture;
c) How someone may contribute to ITU; or
d) A specific solution, regulation or use case.
